Hello Hampton Roads Chapter members,

Thanks to everyone who attended last month's meeting. It included a very informative presentation on Sound Issues for Evaporative Equipment presented by Daniel Kelly with Evapco, Inc. Thanks to Daniel for sharing his time and expertise with us.

The theme of this month's meeting is membership promotion. We use this time to remind everyone of the value of your ASHRAE membership and to encourage members to promote ASHRAE and to seek and encourage new members. Ty Hammes is our membership promotion chairperson and he will speak at the October 12th meeting about membership and will share thoughts on the value of ASHRAE membership and some ideas on membership promotion.

It is especially important to promote membership among the new people in your companies. ASHRAE has reinstated the Affiliate Member membership level this year. This is designed for new members only. You must be under 30 years of age, and can only hold this grade for up to 3 cumulative years. The cost is only \$40. Please encourage your peers to join and experience ASHRAE. We would love to see new faces at the meetings and hope this new membership level will encourage greater participation.

For more membership details please go to the ASHRAE main web page (www.ashrae.org) and click on Join ASHRAE under Quick Links. You will find all the information on membership levels and joining ASHRAE.

Please note that we will not be having a fall golf tournament this year for Research Promotion. Tim Patterson, our Research Promotion chairperson has been busy working on some research promotion activities for the springtime and will speak at next month's meeting. Please plan on attending.

Please contact me if there is anything that I can do to better serve the chapter and the members.

I look forward to seeing everyone on October 12th.

Sincerely,
Joe Hahn
President

Announcing the membership promotion deal:

If a member brings a new member to a meeting and signs them up, then the new member and the sponsor member get a free dinner.

Meeting Theme this month...

MEMBERSHIP!

Every month we will have a theme to promote the cornerstones of ASHRAE. This month's theme is membership promotion. As you all know, growth in membership is critical to the success of any organization, and we are no exception. The membership promotion deal indicated in the upper left of this page will continue for the remaining chapter meetings this year to encourage recruitment. If you know any young aspiring engineers you should let them know that ASHRAE has a new deal just for them! Anyone in the industry 30 years and younger can now sign up for an affiliate membership. This membership is much more affordable for those who are just entering the working world. So bring someone new on Wednesday and maybe you'll get a free lunch!
