1/11/2006

Hello Hampton Roads Chapter members,

Happy New Year to all.

Thanks to everyone who attended the joint IFMA/ASHRAE holiday social at the Norfolk Women's Club last month. It was a wonderful social in a great venue and provided an opportunity to meet and greet our peers in facility management.

The board meets again on January 11, 2006 at 11am at Lake Wright prior to the regular monthly lunch meeting. All members and students are invited and encouraged to attend.

Planning is ongoing for the Chapters Regional Conference to be host by the Hampton Roads Chapter in 2007. Nancy Mitchell-Veeck has agreed to be chairperson of the planning committee. Committee members are needed. Please contact Nancy or any board member if you would like to help. Details are on the website.

The theme of January's meeting is Membership Promotion #2. Membership promotion information is on the chapter and society website. Ty Hammes is our membership promotion chairperson. Please contact Ty for additional information.

Please contact me if there is anything that I can do to better serve the chapter and the members.

I look forward to seeing everyone at the meeting on January 11th.

Sincerely,
Joe Hahn
President

Announcing the membership promotion deal:

If a member brings a new member to a meeting and signs them up, then the new member and the sponsor member get a free meal.

Meeting Theme this month...

<h2>MEMBERSHIP!</h2>

Every month we will have a theme to promote the cornerstones of ASHRAE. This month's theme is membership promotion. As in October, this month's meeting is an excellent opportunity to take advantage of the long standing membership promotion deal. With Society's new affiliate membership in conjunction with the Hampton Roads Chapter's free lunch deal, there has never been a better time to recruit new members. Growth in membership is what makes our chapter strong, and our members are our best recruiters. When prospective new members learn what an incredible networking tool a professional society can be, they will certainly be eager to find out more.
