Chapter cannot act on behalf of the Society.

LifeNet Health

LifeNet Refrigeration Plant Tour

Come join us on a tour of the refrigeration plant for the LifeNet organization. LifeNet is a non-profit organization that is dedicated to saving lives and restoring health. The tour will start in the conference room with a brief talk about what LifeNet is about. The tour will then proceed to the refrigeration plant. Systems will be described and exemplified how they maintain below sub-zero conditions. Please dress properly for walking through an active mechanical room.

February Program

**Update Your
Biographical Information
on the Society Web Site**

Keeping you biographical information up to date is necessary so that the chapter can keep in touch with the members. All the newsletters will be electronic. If you received this newsletter from a coworker instead of by e-mail your data may not be up to date. Please go to www.ASHRAE.org to update your data.

~ Douglas Henderson— President ~

From the Presidents Pen

Dear Members,

Well, I hope you got to go to the ASHRAE Winter meeting in New York. I went and had a great time. The AHR show continues to grow with new products and new manufacturers. The number of new manufacturers of "mini-split" systems was incredible. Not sure that is really a good thing. There were a number of manufacturer's parties that were very good. Most of the venues for the parties were in and around Times Squares.

The Hampton Roads Chapter still needs people to serve on committees and board positions. We have a number of past presidents serving as committee chairperson. These people have gone through most or all the board positions and now are serving as committee. Although I thank them for their dedication, Hampton Roads Chapter cannot continue function and grow without people stepping up to help the chapter. The only way to continue to provide excellent programs that will benefit you and your career is if we have people volunteer. We will try to put you in an area of interest and will assign a mentor to assist you with your duties. There are numerous benefits from participation in the chapter including networking, working with fellow ASHRAE members and learning how a chapter functions. Please contact me if you wish to help.

Please join use this month for a tour of LifeNet and their refrigeration plant. It is sure to be good tour of state of the art sub-zero refrigeration equipment.

Douglas Henderson.

Hampton Roads Chapter President

LifeNet Health

1864 Concert Drive

Virginia Beach, VA 23453-1903 USA

Directions: Come down Princess Anne Road from Norfolk toward Virginia Beach Municipal Center; turn **left** at Concert drive (new Hospital complex (previously Princess Anne Park) on your right). LifeNet is the first building on the right on Concert Drive.

Dinner after the Tour:

Buffalo Wild Wings

3300 Princess Anne Road

Virginia Beach Virginia 23456

Directions: From LifeNet take Concert Drive, turn left at Princess Anne Road, at the second light turn left into the new shopping center Landstown Commons. Buffalo Wild Wings is on the right. On your own dinner.

Historical Building Restoration ~

Is anyone restoring or renovating a historical building in the Hampton Roads area? Would you like to share your project and have it published in our monthly Hampton Roads Chapter Newsletter?

Please contact Joe Hahn at joseph.e.hahn@jci.com or (757) 852-3198

ODU Student Advisor

Please welcome Gary Hayden as new Hampton Road Chapter ODU Student Advisor. Please take a moment at the next meeting to thank him for stepping up and volunteering to help at the chapter level.

ASHRAE 2007 - 2008 Meeting Schedule

LifeNet Refrigeration Plant Tour

January 13, 2008

Cooling Tower Seminar

March 12, 20078

Satellite Broadcast Integrated Building Design

April 16, 2008

May Scholarship Golf Tournament

June Family Beach Social TBD

Committee Positions

There are still a number of committee chair positions available as shown to the left. Four of the committee chairs are filled with past or present presidents doing "double duty" for the chapter. Please contact any of the board members or Douglas Henderson - dkhenderson@hsmm.com if you are interested in helping out. You can just be on the committee if you want to test the waters.
