Chapter
ASHRAE February
2018
Newsletter

Chapter cannot act on behalf of Society

UPDATE:

**Next Meeting - Tuesday, February 6th
Building Automation Integration & Cost Saving
Strategies
Presented by Rich Nowak, with Siemens**

Location: Clark Nexsen

[4525 Main Street, Virginia
Beach, Suite 1400](#)

Lunch and networking at
11:30. Tech session at noon.
\$20 Members
\$25 Non-members

This presentation includes demonstration of new methods of building systems integration and fusion to provide more intelligent buildings. Discussions will include new methods and technologies designed to optimize construction and operational costs. Design approaches preparing buildings for the latest intelligent building technologies available in the industry today will also be introduced.

See chapter [website](#) for full details on the 2017-2018 technical program and updates. Season passes available on the chapter website. Get nine lectures for the price of six. [RSVP for lectures or purchase season pass](#)

Upcoming Events

March 6th - Innovative HVAC Systems for Energy Efficiency
April 3rd - TBA
