Next Meeting - Tuesday, March 6th
LEED v4 Energy and Atmosphere Credits
Presented by Daniel Nall

Location: Hobbs and Associates

[4850 Brookside Ct Ste 100, Norfolk, VA 23502](#)

Lunch and networking at 11:30. Tech session at noon.

\$20 Members

\$25 Non-members

This presentation gives a synopsis of the LEED v4 Energy and Atmosphere credits. We will be covering a brief history of LEED, discussing the pre-requisites to Energy and Atmosphere as well as the various credits, looking over how the points are awarded, in depth discussion of whole building energy simulation as well as Appendix G, and finally some ancillary tools for whole building energy simulation. Please see attached Save the Date for additional info on Daniel as well as on the technical session.

See chapter [website](#) for full details on the 2017-2018 technical program and updates.

Season passes available on the chapter website. Get nine lectures for the price of six.

Upcoming Events

April 3rd - TBA

May 1st - TBA

May - Scholarship Golf Tournament - More info to come shortly!

Welcome to our new chapter members!

Call for Volunteers

We wanted to take a minute to remind everyone that ASHRAE is a heavily volunteer based organization, that could not do what it does without the support of people like you. As such, we are always looking for additional volunteer support to help keep our chapter running strong. As we are nearing the end of our 2017-2018 season, we want to offer up the opportunity for those that are interested to pick up the torch and volunteer. If you are interested in joining the board please reach out to current chapter president RJ Hartman and he will get you started.

Thanks!

Thank You to Our Annual Sponsors
