Welcome to our new chapter members!

**The Usual**

Hi everyone, as we approach our "Summer Break" we want to remind you to get your nominations for board positions in. We would love to have official voting, but as we currently have open positions, we are still actively looking for folks who wish to get more involved. If you are interested, or curious to see how the chapter operations are ran, please shoot a message to current chapter president RJ Hartman and he can get you squared away. You can also talk to him, or any of our other board members, at our next Technical Session.

Regards!  
HRC ASHRAE Board
